LOCATION: CHARTER RD., ARLINGTON ST., & FREEDOM FARME RD.

DATE: OCTOBER 31, 1986

THE FOLLOWING WORK REMAINS TO BE DONE:

During the grading of several lots on Charter Road and Freedom Farme Road, several road bounds and drill holes were burried, lost or destroyed.

In August and September of 1985 you requested inspections of these lots for release of the bonds that the Town is holding and were informed at that time that the bounds and drill holes needed to be replaced.

Since no action has been taken on your part, The Town has requested the assistance of the County Engineers Office to replace the bounds which mark the Arlington Street layout. Any expenses incurred will be paid for out of the bond money that you posted to secure these permits.

As for the bounds on Charter Road and Freedom Farme Road, if no progress is made within thirty days to have these points replaced, the Town will use your bond money to complete the work. If you have any questions, please feel free to contact me at 264-9628.

PLEASE CONTACT US WHEN THE WORK IS COMPLETED.
